- 30m night vision
- Wide Dynamic Range
- 3D Noise Reduction
- Supports Power over Ethernet
- IP66 outdoor certified

The Vigilance 2 Megapixel Outdoor Bullet Camera is a professional, full featured high-resolution camera, that is designed to be easy to install and integrated into a highly affordable video surveillance solution. Incorporating IR LED illuminator, WDR and 3DNR support, you get up to 30 metres night vision and clear detailed images in contrasting and low light environments. The camera's IP-66 (weather-proof) housing is specifically designed to withstand all adverse weather conditions. It supports H.265 to optimise network bandwidth for better visual quality and recording performance.

Software Features	Indoor and Outdoor IP66
